RE: National Leadership PAC, C00302588

Ms. Wilkins,

This letter accompanies an amendment to the July 20, 2000 report. We have filed it electronically, so I wanted to make you aware of the changes made.

First, on schedule B line 23 we have discovered an inadvertently omitted disbursement to Curtis Clinesmith. This change is reflected in both column A and B. Also in column B line 23, the number on the original report was miscalculated. It has now been corrected. Further you will notice that many of the numbers in column B are not correct. Our computer software had been miscalculating and we have fixed the errors.

Please contact me if you need further explanation.

Thank you in advance,

Holly Giarraputo
Comptroller
